PETITION TO BAN GREYHOUND RACING

To the Honourable President and Members of the Senate in Parliament assembled.

The Petition of the undersigned draws the attention of the Parliament to the need to ban greyhound racing in Australia.

Thousands of greyhounds are killed each year because they never were, or no longer are, capable of making a profit for their owners.

Australians want to see greyhound racing banned on animal welfare grounds and do not want to see public money subsidising greyhound racing and gambling.

We therefore ask the Parliament to ban greyhound racing in Australia.
