

PETITION TO SAVE THE MURRAY DARLING BASIN

To the Honourable President and Members of the Senate in Parliament assembled.

The Petition of the undersigned shows the urgent need for a plan to save the Murray Darling Basin.

The Greens have a plan to save the Murray Darling by establishing a national royal commission, reinstating water buy-backs to ensure proper environmental flows, overhauling the Murray Darling Basin Plan to put the environment at the centre, ensuring all future modelling is done in the context of climate change and banning corporate irrigator donations to political parties.

Your petitioners ask the Senate to support the Greens' plan to save the Murray Darling Basin.

DR MEHREEN FARUQI
SENATOR FOR NSW
